RE: "TWINS"

Dear Andy,

As we discussed this morning, I am enclosing herewith a copy of TWINS. This is a David Cronenberg project (non-DGA) which is scheduled to start photography in Toronto on August 17th. David wants to cast the picture with Jeremy Irons and either Genevive Bujold or Margot Kidder as the female lead.

We have worked out a Canadian tax deal whereby the Canadian investors provide 100% of the production financing and require that 80% of the money raised be paid back two years down the road.

I look forward to hearing from you.

Love,

Raffaella De Laurentiis
